Home page		
	To create home page tabs, type each address on its own line. http://www.metrohealth.org	
	L	<b>T</b>
	Use current Use default	Use blank
Browsing history		
Delete temporary files, history, cookies, saved passwords, and web form information.		
	Delete	Settings
Search _		
P	Change search defaults.	Settings
Tabs —		
	Change how webpages are displayed in tabs.	Settings
Appearance		
Cold	ors Languages Fonts	Accessibility
OK Cancel Apply		

3) Click the **Disable** button\* in the **Content Advisor** section. Enter the supervisor password and click the **OK** button to return to the browser.

\*If you see a button that says **Enable**, then Content Advisor is already disabled.
